

# Rippling Brooks Ministries

“...ye shall be witnesses unto Me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.” Acts 1:8

## Fall 2017

As we were driving last week, I mentioned to my wife that I really enjoy the seasons in this part of the country. God’s handywork is so awesome! The colors of fall, the white blanket of snow in winter, the new sprouts in spring, and the green of summer. In thinking over this past year, we have seen God’s work in our lives too, blessing us in so many ways.

A new prayer card is in the works, which we hope to have finished and back from the printer by the time we start our Christmas program tour.

This summer, we enjoyed the more comfortable arrangements of the upgraded

travel trailer God provided for us to use as we minister in churches. We are currently enjoying a new laptop, which God provided through a church’s special VBS offering. It works so much better than the old one! There are loads of other blessings as well, but the best blessing of all is seeing souls come to a saving knowledge of Jesus Christ, and we had the privilege of seeing that happen a number of times this past year. Praise the Lord!

Besides helping with events at camp here this fall, we have also been trying to assist churches any way we can.

One way we are doing this is through a new page on our website which offers free bulletin art. Feel free to check it out under the resources tab. While you are there on the website, be sure to also check out the inspirational backgrounds for a few new backgrounds.

Our website also has more information about our Christmas program, “Come Inn” which we will be presenting in churches throughout the month of December. Every Sunday morning in December is booked, but we still have a couple Sunday evenings open, as well as Friday evenings for a special program at a Christmas dinner. If you are interested, please let us know soon.

Things are also in the works for our 2018 Vacation Bible School. Everyone likes ice cream right? Taking that as our theme, the title is “Super Scoops: Discovering our Super BIG God”. We are scheduling now for the coming summer, so don’t put off contacting us!

We do ask you to continue to pray for our support need. We are hanging around 31% of our \$2,500 a month need. Our desire is to be fully supported so we could go into small churches for special meetings without taking any financial assistance from these struggling churches. We want to infuse the church with enthusiasm and energy for them to keep on keeping on as well as encourage the pastor and his family.

Please also pray with us for the upcoming Christmas programs. We are asking the Lord to provide an immediate need of about \$750 for additional sound equipment so that each voice can be clearly heard. (Gifts from individuals can be tax deductible.) We also request prayer that through this program the Lord would be glorified and souls would allow the Savior in, for safety in traveling winter roads, for health and strength, and for strong voices.

Serving the Savior,

*Erich & Shawna  
and family*
